SUBJECT : Promotion Projections

The DDCI has advised that the Deputy Directors may promulgate their promotion projections as developed in concert with the Office of Personnel. The FY 1978 projections should be implemented; the FY 1979 targets should be entered in the Phase I APP due this August; and the FY 1980 can be treated as a planning target. While these figures were developed as minimum targets, the Office of Personnel would like to remind that any excesses in FY 1978 should be carefully gauged against effects on available headroom in meeting FY 1979 and FY 1980 targets.
